目標 8 公共交通を守り、育てていくための情報発信

現計画

施策2	イベント・沿線施設との連携等による効果的なPRの実施																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																					
	事業																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																					
①各種情報提供による効果的なPR																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																						
ホームページ・SNSの活用や、沿線住民・学校等へのチラシ配布等により、割引制度や沿線の魅力等の情報を効果的に発信することで、公共交通の利便性や自家用車の代替交通手段としての可能性等を広く周知します。																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																						
「ピーポー車窓ガイド」の運用
